MESSAGE FROM VICE PRINCIPAL DESK

MRS. NIDHI SOOD
VICE PRINCIPAL
PM SHRI KV NO.1 PATHANKOT

Through education, we plant the seeds of curiosity that turn into the trees of knowledge. In the light of national education policy 2020, the whole gamut of the education sector has been revolutionized. In present times, the classrooms are being converted into activity based learning centers where children are encouraged to develop their abilities through hands-on experiences.

In PM shri KV No. 1 Air force station, Pathankot, every effort is made to strengthen the foundation years of little budding children so that they may be groomed to be the best citizens of the country. The whole team of teachers provide full support to these blooming kids in enriching their learning experiences and thus making learning joyful and fun filled.

I extend my best wishes to the tiny tots of our Vidyalaya.
